

The National Barrel Horse Association, headquartered in Augusta, Georgia, is the largest barrel racing organization in the world. In 1992, the NBHA revolutionized the barrel racing industry by pioneering the divisional format, which allows riders of all skill levels a chance to win money and prizes in barrel racing competition. We pride ourselves in promoting the sport of barrel racing and strive to improve and grow our district with the races we produce. Our website is very active with information and regular updates encouraging and receiving lots of traffic.

Kansas District 01 is one of the largest districts in the state of Kansas, with at least 18 shows a year we draw in competitors from all over the Midwest region. We are a family oriented organization that offers exciting jackpots for all ages and levels of rider. KS01 has a brand new website that has been specifically set up to showcase our valued sponsors.

We have several different sponsorship levels available to meet the needs of you and your business. Your business will be advertised on the Kansas NBHA District 01 website, www.nbhaks01.com, NBHA KS01 Facebook page, and any media the district puts out and at our shows. We hope that you will join us in making 2013 our biggest and best year yet!

Thank you for taking your time in reviewing the following attached sponsorship opportunities.

Sincerely,
